Varsity kickers open district with win

Ranked number nine in their region, Whitehouse played host to fifth-ranked Athens for the district opener Tuesday night, pulling out a 2-1 win in double overtime.

The game moved at a slow pace with only two shots on goal for each team in the first half. Athens scored first when a shot deflected off goalkeeper Justin Parker and went just over the line to give Athens the 1-0 lead 15 minutes into the first half.

Coach Chris Clemons' halftime speech must have fired the Cats up because the players came out stronger and moved the ball better than the first half, outshooting Athens but not able to score until Paul

Metzner found Caleb Jacque in front of the goal with just 17 seconds on the clock, and he was able to put the ball around the Athens keeper to tie the game.

The game went into overtime and with 1:28 left in the second OT period, Metzner was able to break to the middle of the field at the top of the goal box and made two quick moves to get a shot off that went into the upper 90 of the net, giving Whitehouse their first district win of the season.

"We had a higher power looking out for us tonight," said Coach Clemons after the game. He said he told the team at half "we need this game," and his team re-

sponded.

Wildcat JV 1, Athens 2

In the junior varsity contest, Athens came out strong in the first half scoring two goals in the first 20 minutes, with Whitehouse only taking one shot on goal the first half.

The Cats started the second half much stronger, and with 9:58 remaining in the game, Taylor Burns took a corner kick and, aided by the strong wind, put it into the goal to put Whitehouse on the board.

Neither team was able to score again, and the Cats lost 1-2.

The next district contest is tomorrow at Lindale.

against the Lady Lobos but their shots fell everywhere but in the goal. The Lobos scored their only goal in the first half but Whitehouse could not rally to meet the challenge.

Whitehouse 1, Nac 0

The Lady Cats looked much better against the Lady Dragons. Heather Lofties scored a breakaway goal in the 35th minute for the only score in a first-round matchup at Lobo Stadium. Lindsay Pritchard's pass set up the goal for Whitehouse

Melissa Camp made a diving save on a shot by Brittney Free in the 77th minute to preserve the shutout.

Bug Miller made eight saves for Nacogdoches.

Whitehouse 3, Lufkin 1

Scoring two unanswered goals midway through the second half, Whitehouse captured third place in the Longview girls soccer tournament with the victory against Lufkin on Saturday. The team really pulled together and looked much better than earlier in the tournament.

Pritchard led the Lady Cats effort once again, scoring a goal and registering two assists. Kelli Hill and Alyssa Parker scored the two second-half goals for Whitehouse, now 5-2.

the net, giving Whitehouse the 1-0 lead.

Less than two minutes later, Troy Coffee received the ball at midfield and made a quick touch to an overlapping Howard Rodriguez who was off to the races. He got past the Jacksonville defense and went one-on-one with their keeper and put the ball around him for the final goal of the game.

The defense played a big part in the win, including goalie Justin Parker earning his sixth shutout of the season as the Cats improved to 6-2-2.

In the junior varsity game, Whitehouse put its "A" game on the field and controlled the entire game. They started the scoring with 6:37 remaining in the half when Wes Holt took the ball from a Jacksonville player

and passed to Colton Strother who found Trey McNeal wide open. McNeal shot and scored, giving the Cats the 1-0 halftime lead.

McNeal again was able to get on the board 10 minutes into the second half on a successful breakaway, putting Whitehouse up 2-0.

With 2:47 remaining in the game, Daniel Peek got past the defense and put the ball in the net for Whitehouse's final score.

Keeper Travis Lowthorp was looking for his first shutout win of the season, only to have that possibility spoiled with seven seconds left as Jacksonville got a shot off through a myriad of players that somehow found the net, making the final score 3-1.
